Requisites	
Prerequisites: English level B2	Co-requisites (if relevant): none

Number of ECTS credits allocated	Student's workload (total)	Contact hours	Individual work
5	130	32	98

Purpose of the course unit		
The purpose of this course is: to introduce the roots and the main features of ancient and Christianised Baltic peoples' (Lithuanian, Latvian, Latgalian, and Prussian) cultures, reconstructed on the basis both of their languages, as well as contacts with neighbouring languages; to develop ability to use critical thinking and collaborative work for the investigation of cultures and analysis of distinctive cultural phenomena (not as isolated instances, but in a broader socio- and ethno-cultural context).		
Learning outcomes of the course unit	Teaching and learning methods	Assessment methods
Students will be able to describe major periods and facts in the development of culture.	Lectures, seminars, discussions, academic literature review.	Participation in discussions during seminars, examination (test), group presentations.
Students will be able to interpret the relation between culture and language and the role of language contacts in the development of culture, as well as critically examine how major cultural values are encoded in language.	Lectures, seminars, discussions, analysis of cultural phenomena.	
Students will understand the basic values, beliefs, interests and behavioural norms of Lithuanian culture and the historical reasons that have shaped it, and be able to analyse and critically evaluate different cultural contexts on the basis of this knowledge.		
Students will critically engage with academic material, carry out individual	Group work, academic literature review, group	

research and combine it with that of others in a presentation on a selected phenomenon of Lithuanian and Latvian culture.	discussions.	
Students will be able to discuss and cooperate with colleagues considering topics on cultural identity.	Group work, discussions, academic literature review.	

Content	Contact hours							Individual work: time and assignments	
	Lectures	Tutorials	Seminars	Workshops	Laboratory work	Internship	Contact hours, total	Individual work	Tasks for individual work
1. The origin and the meaning of the term 'Baltic'. The territory of ancient Balts based on the analysis of European hydronyms. The significance of the Indo-European and non-Indo-European cultures for the formation of Balts.	2						2	6	Study of academic literature, reading of specified passages: Dini, p. 46-60; Bojtar, p. 6-12; 80-84; Sabaliauskas, p. 20-37.
2. Pagan religion as an important component of the identity of the Balts: data from languages and chronicles. Cultural differences between Baltic peoples. Amber and The Amber Road.	2						2	6	Study of academic literature, reading of specified passages: Dini, p. 275-282; Biezajis, p. 1-10; Gimbutas, p. 85-94; Bojtar, p. 278-304; Vėlius, 1983, p. 273-278 (English summary).
3. The significance of the outcomes of language contacts for the interpretation of cultural identity of peoples. Outline of the ancient Baltic culture based on the data from contacts with Finnic, Slavic and Germanic languages.	2						2	6	Study of academic literature, reading of specified passages: Dini, p. 192-238, Zinkevičius, p. 1-14; Sabaliauskas, p. 12-20, 37-50; Bojtar, p. 23-35.
4. The process of Christianising Prussians, Lithuanians, and Latvians: the influence of East Orthodoxy, Catholicism, and Protestantism. The variety of languages and cultures in the Baltic area, and the place of Baltic languages and cultures among them.	2						2	6	Study of academic literature, reading of specified passages: Dini, p. 283-287, 374-391; Zinkevičius, p. 70-84; Stundžia, p. 36-41; Draviņa, p. 25-27.
5. The first Prussian, Lithuanian, Latvian and Latgalian texts, the beginning of printing and the formation of literary languages. The importance of cultural centres in Prague, Königsberg, Vilnius, and Dorpat (Tartu) for the			4				4	13	Study of academic literature, reading of specified passages: Dini, p. 397-410, 467-473,

development of Prussian, Lithuanian, Latvian, and Latgalian cultures (14 th -18 th c.).									Zinkevičius, p. 227-230, 241-246, 256-258; Stundžia, p. 44-52; Ross, Vanags, p. 173-192; Draviņa, p. 28-30. Preparation for the presentation.
6. The Lithuanian, Latvian and Latgalian cultures in the 19 th c. and in the Independent Republics (1918-1939). The ban of Lithuanian and Latgalian publications printed in the Latin alphabet. The standardisation of Lithuanian, Latvian, and Latgalian.			4				4	13	Study of academic literature, reading of specified passages: Dini, p. 473-490, Zinkevičius, p. 259-264, 276-285; Stundžia, p. 52-59; Kuiziniene, p. 11-50; Ross, Vanags, p. 180-192, 222-230. Preparation for the presentation.
7. The Sovietisation of the Lithuanian, Latvian, and Latgalian cultures. Changes in the ethno-social situation. Interference with Russian.			4				4	13	Study of academic literature, reading of specified passages: Dini, p. 496-505, Zinkevičius, p. 312-323; Stundžia, p. 59-63; Šilbajoris, p. 74-104. Preparation for the presentations
8. The Lithuanian and Latvian cultures during the new independence. The revival of the Latgalian language and culture. The Lithuanian, Latvian, and Latgalian cultures in emigration.			4				4	13	Study of academic literature, reading of specified passages: Dini, p. 506-517, 533-543; Zinkevičius, p. 326-332. Preparation for the presentation.
9. Calendar and song festivals of the Balts.			8				8	22	Study of academic literature, reading of specified passages: Vaicekauskas, p. 21-45, 55-71, 89-107, 115-128; 141-154; Latvia and Latvians, Vol I, p. 451-459. Preparation for the presentation.

Assessment strategy	Weight %	Deadline	Assessment criteria
Group presentations during the seminars	30	During the semester, starting week 4	During the semester students will have to make a group presentation on one of the seminar topics. The presentation will require a combination of critical evaluation of the seminar material (academic literature), as well as individual research and examples on the topic. <i>PowerPoint</i> slides are mandatory. Assessment: 3 points: the seminar material has been critically evaluated, visual examples are supplied, students are able to develop a discussion and answer questions.

			<p>2 points: the seminar material has not been critically evaluated by students, visual examples are supplied minimally, students lack the ability to develop a discussion and answer questions.</p> <p>1 point: the seminar material has been presented superficially, no visual examples are provided, students are not able to develop a discussion and/ or answer questions.</p> <p>0 points: the seminar material was not presented.</p>
Participation in discussions during seminars	20	Regularly during the semester, starting week 2	<p>2 points: The student contributes during class discussions on at least 2 occasions with an extensive comment, or at least with one comment (question).</p> <p>1 point: The student contributes on one occasion in a way that demonstrates his/her understanding of the topic discussed, or asks one question and, throughout the class, shows some involvement.</p> <p>0.5 points: The student does not demonstrate involvement in the discussion.</p> <p>0 points: The student is not prepared for discussions during seminars or does not participate in them.</p>
Exam (test)	50	During the exam session	<p>The test consists of open and closed type questions based on material covered throughout the course.</p> <p>10 (excellent). Excellent, exceptional knowledge of the roots and features of Baltic peoples' culture, excellent abilities to interpret cultural phenomena which are encoded in Baltic languages. 95-100% of questions answered correctly.</p> <p>9 (very good). Very good knowledge of the roots and features of the culture of the Baltic peoples, very good abilities to interpret cultural phenomena which are encoded in Baltic languages. 85-94% of questions answered correctly.</p> <p>8 (good). Knowledge and abilities are above average. 75-84% of questions answered correctly.</p> <p>7 (average). Average knowledge and abilities; there are a few not essential mistakes. 65-74% of questions answered correctly.</p> <p>6 (satisfactory). Knowledge and abilities are below average; there are mistakes. 55-64% of questions answered correctly.</p> <p>5 (weak). Knowledge and abilities meet the minimum requirements. 51-54% of questions answered correctly.</p> <p>4, 3, 2, 1. Minimum requirements are not met.</p> <p>10 points correspond to 50% final grade</p>
